Annexure-IV

Under National Programme for Control of Blindness review of the programme is done at three levels i.e. District, State and Central. During the District level review meetings State Govt. officials participate. At the State level review meetings one of the officers of National Programme for Control Blindness participate and at Central level quarterly State Programme Officer's review meeting is held to review the Physical and Financial targets.

Annexure-V

Under Pulse Polio Programme, National Polio Surveillance Unit has been set up for monitoring and review the progress and to provide technical and logistic support. Field units have been set up in districts and States to assist the districts administration in implementing the programme and detection of areas where poliovirus circulation is going on. This help to measure the progress in polio eradication programme and help to target immunization activity appropriately.

Annexure-VI

The NLEP is a 100% centrally sponsored scheme and is being implemented by all the States and UTs.

The following mechanism has been set-up for regular review of the Scheme:-

- (i) The States are submitting Monthly Progress Reports to the Central Leprosy Division.
- (ii) State coordinators have been placed in priority States for monitoring & review of the programme.

(iii) Quarterly review meetings of above cited State Coordinators along-with State Technical Support Coordinators are held by the Central Leprosy Division at Delhi in which representatives of the WHO and ILEP also participate. The State Leprosy Officers from priority states participate in alternate meetings.

(iv) Annual Review meeting are held by the Central Leprosy Division in which all States participate.
